SUPERINTENDENT'S MESSAGE

Dear Parents and Guardians:

As we enter the 2021-2022 school year, we again focus on our theme, "Inspiring Hope and Purpose". It is our goal to provide the best education for all students and help them awaken the passion within.

As a family of parents, community and school personnel, we will work hand in hand to provide the educational foundation our students need to be successful in this ever-changing world.

We look forward to a wonderful and successful school year.

VISION

Each high school graduate will be prepared to enter a job, job training, and/or apprentice program, a trade or technical school, the military for trade or technical training, community college, and/or a four-year college or university.

MISSION

The mission of the St. James Parish Public School System is to produce a student who will possess: a willingness to change and learn continuously; a strong work ethic; core academic learning to solve "real life" problems; team work skills; technology skills to solve problems; and a desire for continuous career preparation.

TEACHER BILL OF RIGHTS

(LSA—R.S. 17:416.18)

Respecting the authority of teachers is essential to creating an environment conducive to learning, effective instruction in the classroom, and proper administration of city, parish and other local public schools. To maintain and protect that authority, it is important that teachers, administrators, parents and students are fully informed of the various right conferred upon teachers. Those rights, the Teacher Bill of Rights, are established as follows:

1. A teacher has the right to teach free from fear of frivolous lawsuits, including the right to qualified immunity and to a legal defense, and to indemnification by the employing school board, pursuant to R.S. 17:416.1(C), 416.4, 416.5 and 416.11, for actions taken in the performance of duties of the teacher's employment.
2. A teacher has the right to appropriately discipline students in accordance with R.S. 17:223 and through 416.6 and any city, parish, or other local public school board regulation.
3. A teacher has the right to remove any persistently disruptive student from his classroom when the student's behavior presents the orderly instruction of other students or when the student displays impudent or defiant behavior and to place the student in the custody of the principal or his designee pursuant to R.S. 17:416(A)(1)(c).
4. A teacher has the right to have his or her professional judgment and discretion respected by school and district administrators in any disciplinary action taken by the teacher in accordance with school and district policy and with R.S. 17:416(A)(1)(c).
5. A teacher has the right to teach in a safe, secure, and orderly environment that is conducive to learning and free from recognized dangers or hazards that are causing or likely to cause serious injury in accordance with R.S. 17:416.9 and 416.6.
6. A teacher has the right to be treated with civility and respect as provided in R.S. 17:416.12.
7. A teacher has the right to communicate with and to request the participation of parents in appropriate student disciplinary decisions pursuant to R.S. 17:235.1 and 416(A).
8. A teacher has the right to be free from excessively burdensome disciplinary paperwork.
9. A beginning teacher has the right to receive leadership and support in accordance with R.S. 17:3881, including the assignment of a qualified, experienced mentor who commits to helping him become a competent, confident professional in the classroom and offers support and assistance as needed to meet performance standards and professional expectations.

*No city, parish or other local public school board shall establish policies that prevent teachers from exercising the rights provided herein. The provisions of the Teacher Bill of Rights shall not be construed to supersede any other state law, BESE Policy, or city, parish or other local public school board policy enacted or adopted relative to the discipline of students.

PHILOSOPHY

As the word education encompasses many and varied definitions, so a philosophy of education must take into account many areas of education. Ideals, goals, and objectives closely interrelate and compromise the philosophy of the St. James Parish Public School System.

We – School Board decision and policy makers; We – Service Office administrators and supervisory educators; We – school level administrators and teachers; We – System employees; We – Parents; and We – a community are continually committed to setting the highest expectations to redefine standards of excellency by conquering the challenges inherent in the quest for excellence.

We – School Board personnel, are committed to govern by consensus decisions rather than authoritative mandates. In all decision-making matters – **CHILDREN ARE PRIORITY!**

We – Service Office Administrative and supervisory educators, school-level administrators, teachers and system employees are dedicated to service – a service based upon love for the education of all children. St. James Parish Public School System Employees are “Believers and Achievers Committed to Excellence: People with the Vision to see what is Possible and the Expertise to do what is Achievable!” We believe that the education of students should instill in them a realization that freedom is the American way of life and demands certain responsibilities to self, home, school, community, country, and world.

We, as educators, strive to stimulate the growth and development of each child by helping him to discover his capabilities and by instilling within him a desire to work to his own capacity – To think big-, think high-, think positive-, and think new. We believe that a healthy mind and body are necessary for a well-rounded individual. We seek to meet the developmental needs of each child according to his physical growth. We believe that education should lead to improve human relations in society and that the child should learn to appreciate the contributions of all races, creeds, and sexes in a diverse culture.

We, as parents, assume responsibility for our children's education at home and are involved in their education by helping them translate everyday activities into positive attitudinal learning experiences.

We, the community as a whole, recognize the importance of developing and sustaining a cohesive partnership among the different education systems; between elected officials and constituents; and most importantly, among citizens themselves.

The overall St. James Parish Public School System is based upon a foundation of Brotherhood – respect for fellowship and human dignity.

ATTENDANCE POLICIES

According to state mandate, high school students must be in attendance 30,060 minutes which is equivalent to 83.5 days per semester. To receive credit of a course, students must be present 94% of the required time. Elementary students shall be in attendance a minimum of 60,120 minutes which is equivalent to 167 days a school year. This means that elementary students are allowed ten (10) absences for the entire school year. High School students on the block schedule may have no more than five (5) absences per term.

1. A parent/tutor/guardian should notify the principal's office via the telephone in advance of the student's absence or on the morning of absence.
2. All absences, whether excused or unexcused, shall be counted as absences for attendance reporting purposes to the State Department of Education. Students who are physically present at a school site or participating in an authorized school activity for 25% or more of the school day shall be deemed present for attendance purposes. Students who are under the supervision of authorized personnel for 25% or less of the school day shall be deemed absent for attendance reporting purposes.
3. All absences shall be entered in SIS on a daily basis. Teachers' attendance role books shall be maintained on file for one (1) school year.
4. Any student returning to school after being absent for 1 or 2 days shall present the parish-adopted Daily Absentee Form (SJ No. 2) within two days after his returning to the principal/designee. Failure to do so shall result in absences being unexcused. The student is allowed 1 SJ2 per term with up to 2 consecutive days. Any other unexcused absences should be appealed through the Student Services Department. **The deadline to appeal unexcused absences for the Fall Semester will be the second week of school in the Spring Semester. The deadline to appeal unexcused absences for the Spring Semester will be the second week of the summer break.**
5. The only exception to the attendance policy comes from absences that fall under the "extenuating circumstances" provision, which would allow a student to miss school for one of five reasons and still be credited as present.
6. Those reasons, according to the state department's Administrative Code, include extending leave from school (more than three days missed) for physical or emotional illness, a hospital stay, recuperation from an accident, a contagious disease in the family or "observance of special and recognized holidays of the student's own faith."
7. Missing three or more days of school for any of the first four reasons would require verification from a physician, dentist or nurse practitioner licensed in the state.
8. An absence resulting from disciplinary procedures (i.e. suspension or expulsion) shall be entered in JCampus. These days are unexcused.
9. Three unexcused late sign-ins, after official homeroom, shall equal one (1) day absent for parish perfect attendance determination.
10. To receive a perfect attendance certificate, a student must attend school for 180 days or full term as defined by the St. James Parish School Board and/or State Board of Elementary and Secondary Education. A student must attend school a full day, with the only exception being the following: (a) School sponsored trip; (b) Arrival during homeroom period (not to exceed two occasions); (c) Leaving school because of death in family; (d) Leaving school because of illness (not to exceed two occasions); other circumstances approved by the Administrative Director of Student Services in consultation with the principal.
11. A parent / tutor or other person having control of any child that has either major surgery, major illness, or has not been in attendance for an extended period of time, shall be required to submit a doctor's statement indicating the following: special care needed, diagnosis, action to be taken in case of emergency, and medication(s) prescribed.

Re-admittance shall be determined by the Administrative Director of Student Services after consulting the school nurse and/or doctor(s). To receive homebound/hospital bound instruction, the parent/guardian is responsible for contacting the Director of Special Education at (225) 258-4534 to request special services.

12. Parents/Guardians of students with poor attendance shall be requested to meet with the Administrative Director of Student Services as per Pupil Progression Policy. A report of each meeting shall be documented and kept by the principal.

TRUANCY POLICY

The St. James Parish School Board recognizes truancy as absence from class or school for any portion of a period of day without permission from the school. Students shall not be allowed to leave campus without proper permission at any time during the school day, including before school begins, or after school while waiting for their bus. Students shall remain on the campus at all times unless granted permission to be off-campus, or be subject to disciplinary action. Violations of attendance laws and regulations may lead to suspension and/or expulsion from school together with Court Action being taken.

School personnel are expected to make every reasonable effort to assist a child who is habitually absent from school. A student shall be considered habitually absent when the condition continues to exist after all reasonable efforts by the principal and teacher have failed to correct the condition after the third (3rd) unexcused absence is established. The principal or designee shall file before noon on the following Wednesday the attendance of the prior week's third (3rd) unexcused absence report. Any student who is a juvenile and who is habitually absent (3rd unexcused absence) from school shall be reported by the principal or designee to the Administrative Director of Student Services.

In addition, an attempt should be made to contact the parent / tutor / guardian by telephone. Such an attempt shall be logged on the student's master behavior report in JCampus. Suspension shall begin at the end of the school day, except in cases in which a student's behavior prohibits his/her remaining on campus. A particular student's effects are also subject to being searched by school officials and are subject to the same rule. Effects may include automobiles located on school property. The scope of the search must be "reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction." If school officials conclude that a more intrusive search (i.e. strip search) is needed, they shall call the parents of the students involved and report their suspicions to the police who shall be responsible for any such search. School officials shall not conduct such searches.

 - C. Nothing in this Section shall affect the conduct of law enforcement activities including the use of electronic detection devices, dogs, or other means of conducting searches for weapons, drugs, or other contraband in whatever manner is otherwise permitted by law and consistent with local school board policy.

Nothing in this Section shall prohibit the use and operation by any person, including students, of any electronic telecommunication device described in Subsection A of this Section in the event of an emergency. Students shall not be paddled, spanked, forced to kneel, or otherwise physically disciplined for infractions of student conduct regulations. Principals shall have the authority to discipline and/or suspend from school any pupil who is guilty of disorderly conduct.

HEALTH SERVICES

Health Conditions

It is the parent responsibility to inform the School RN if the child has an existing medical condition, any new medical condition, or change in their current medical condition. An individualized health plan may be written at the discretion of the School RN. All student information shall be kept confidential, however, will be shared with school personnel at student's assigned school(s) as needed for the health and safety of the student. The parent/legal guardian may be required to sign a *Release of Information* for the exchange and release of confidential information so that health information can be shared between the School RN and health care providers.

Food Allergy/Special Diet Request

If a student has a food allergy or needs a special diet, you can contact the school secretary, the cafeteria manager, or the nurse to receive a **DIET PRESCRIPTION REQUEST FOR MEALS AT SCHOOL** form. When the form is returned correctly completed by the physician, the diet request will be forwarded to the Child Nutrition Department for evaluation. A determination will be made as to whether or not substitutions can be made. Until such determination is made, parents may be required to send their child's meals to school. A new diet prescription request must be made at the beginning of each school year. An Individualized Health Plan will not be written for Special Diets and Food Allergies until the School RN receives a diet prescription that has been received and approved by the Child Nutrition Department. If you have any questions, please contact the Child Nutrition Department at 225-258-4561.

Illness

Students who attend school on a regular basis are more successful. However, students who are ill should remain home. If a student becomes ill while at school and needs to go home, a parent/guardian will be notified. It is important that the school has up-to-date phone numbers for the parent/guardian and emergency contacts (home, cell, work). Please notify the school office when contact numbers change or are no longer in service. If the parent or an emergency contact cannot be reached, the school will ask the Sheriff's Department for assistance in locating the parent/guardian. In the event of a health emergency, 911 will be called and the parent/guardian will be notified. For illness/conditions in which a student should stay home or the student will be sent home, please see our ***Health Guidelines***. **A note from your physician will be needed in certain instances for the absence to be excused.**

Injury

Accidents happen. In the event of an injury at school, school systems are only equipped to provide "First Aid" treatment. School RNs are also only able to provide "First Aid" and are available at schools on a limited basis to handle health conditions or emergencies. If a student is injured at school, he/she should report the injury to school personnel. Once school personnel has been notified, an accident report will be written by the staff member responsible for the student at the time of the accident, and parents will be notified. Any accident, which results in injury and requires medical treatment beyond "First Aid", is the responsibility of the parent/guardian.

***If a student has a health emergency or is seriously injured, 911 will be called and the parent will be notified. If the school is unable to contact the parent/guardian, the student will be sent to the nearest hospital and the school will ask the sheriff's department for assistance in locating the parent/guardian.

***The school system will not pay for treatment unless negligence on part of the school system or its employees can be proven. Parents are urged to purchase the school insurance if additional insurance coverage is needed. Forms for school insurance are given in the beginning of school year packets.

***If a student is injured at home or outside of the school system and he/she has complaints from the injury, the student should be brought to the student's family physician or to the emergency room for evaluation. Students should not be sent the following day to the School RN for evaluation.

Health Guidelines

SJPSB recognizes the importance of a healthy and safe environment for students and the school community. The school district follows current public health practices, rules, and regulations governing control and prevention of communicable diseases that are established by the State Department of Health and Hospitals (DHH) and Centers for Disease Control (CDC). For the safety and protection of all, we ask that you NOT send your child to school with any of the following:

FEVER – A student with a temperature of 100 degrees or greater while at school will be sent home. A student may return to school after they have been free from fever and/or signs of infection for 24 hours without the use of fever reducing medicines. (ex. Tylenol, Acetaminophen, Ibuprofen, Advil)

VOMITING/DIARRHEA – A student with vomiting and/or diarrhea while at school will be sent home. A student may return to school after they have not vomited or had diarrhea for 24 hours.

STOMACH PAIN – A student who has a stomach ache that is persistent or severe enough to limit activity will be sent home and may be referred to their doctor for evaluation and treatment. If referred, a medical release from their doctor will be required to return to school.

SUSPECTED PINK EYE – A student who has redness in the white of the eye, watery or thick drainage with mucus and pus, which causes the eyelids to stick together, and complains that their eye burns, itches, or feels as if they have something in it will be sent home for evaluation and treatment by their doctor. A medical release from their doctor is required to return to school. Pink eye is a highly contagious condition.

COLDS – A typical common cold has generally mild symptoms lasting 7 to 10 days. If a student develops a temperature above 100 degrees, severe cough, sore throat, green/yellow nasal discharge, earache, and/or headache will be sent home and may be referred to their doctor for evaluation and treatment. If referred, a medical release from their doctor will be required to return to school.

NASAL DISCHARGE – A student who has a yellow/green discharge from the nose for more than 10 days, yellow/green discharge accompanied by fever, or who is coughing up yellow/green mucus will be sent home and may be referred to their doctor for evaluation and treatment. If referred, a medical release from their doctor will be required to return to school.

SEVERE SORE THROAT – A student with severe sore throat, fever, headache, and/or upset stomach, could possibly have Strep Throat, which is contagious and can lead to serious complications. The student will be sent home and will be referred to their doctor for evaluation and treatment. A medical release from their doctor will be required to return to school.

SUSPECTED RINGWORM - An infection that manifests itself usually in the form of one to four flat, ring-shaped sores that can be dry or scaly, or crusted and moist. Ringworm can be transmitted as long as untreated sores remain on the skin. The student may return to school once treatment has begun, proof of treatment has been provided, and the affected area can be completely covered. If the lesion is on the scalp or cannot be completely covered, the student may not return to school until 24 hours after treatment has been started. The student may be referred to their doctor for evaluation and treatment. If referred, a medical release from their doctor will be required to return to school. Ringworm is a contagious condition.

UNIDENTIFIED RASH – If a student has an unidentified rash, the student will be sent home for evaluation and treatment by their doctor. A medical release from their doctor is required to return to school.

LICE - A student with live head lice will be excluded from school. The student must be treated using a pediculicide (lice shampoo). In order for the student to return to school, the parent/guardian must: bring the student to the school office to be checked by school personnel; present proof of treatment (doctor/pharmacist note or empty treatment bottle). Two days of excused absence is allowed for treatment.

SUSPECTED COMMUNICABLE DISEASE – A student with a suspected communicable disease will be sent home and referred for evaluation and treatment by their doctor. A medical release from their doctor is required to return to school.

SUSPECTED IMPETIGO (Indian Fire) – A student with red bumps anywhere on the skin, usually around the nose, mouth, hands and arms, with yellow pus that is released from the red bumps that crust and stick to the skin will be sent home for evaluation and treatment by their doctor. A student may not return to school until 24 hours after treatment has started, affected area has minimal drainage and can be covered. A medical release from their doctor is required to return to school. Impetigo is highly contagious.

SUSPECTED SEIZURES – If seizure like activity occurs at school, the student will be sent home. The student will not be allowed to use school transportation. 911 will be called for student with no history of seizures, seizures lasting longer than five minutes or for multiple seizures. A medical release may be required to return to school. **Students with known seizures**, who have a seizure at home, prior to school, should NOT be sent to school unless cleared with School RN. 911

will be called for seizures lasting longer than five minutes or for multiple seizures. If seizure occurs prior to dismissal, student will not be allowed to use school transportation.

EARACHE – A student with severe ear pain will be sent home until pain free. Student may be referred to their doctor for evaluation and treatment. If referred, a medical release from their doctor will be required to return to school.

HEADACHES – A student with a significant headache that limits school participation/activity will be sent home. A student may be referred for evaluation and treatment by their doctor or ophthalmologist, if headaches are severe and more frequent. If referred, a medical release from their doctor will be required to return to school.

SUSPECTED SCABIES – A student with a pimple-like itchy skin rash, which may affect many parts of the body will be sent home and referred for evaluation and treatment by their doctor. A medical release from their doctor is required to return to school. Scabies is a contagious condition.

*****Please encourage your child to wash their hands frequently, to cough into their elbow area or a tissue, and to discard any used tissue into the garbage can. *****

***** The above signs and symptoms may indicate that your child has a Communicable disease that is CONTAGIOUS to others. If a Health Referral form is sent home by the School RN, the student must be seen by a doctor, the Health Referral form completed by a doctor and returned to the school office, in order for the student to return to school. *****

*****A Student will be excluded from school until seen by a doctor, if a suspected Communicable Disease is present, appropriate care has not been rendered or condition has not been resolved after an adequate time period. *****

*****Health conditions not listed above will be at the School RN's discretion whether the student is sent home, referred to a doctor, or excluded from school.***

Requirements for Medication at School

SJPSB follows State and Federal legislation's medication guidelines. Legislation states that, ***medication that can be given before or after school, shall not be given at school. School medication orders must be limited to medications, which can be administered during school hours.*** However, SJPSB understands that some medications may be necessary during the school day, for a child to be able to attend school or to allow a student to participate equally in the education setting. Louisiana State Legislation has put into place some required conditions to insure the health, safety, and welfare of children who need medicine ***during the school day.***

A few of these requirements are as follows (SJPSB Medication Administration Policy and Procedures may be viewed, in its entirety, on the school board website):

1. The parent/legal guardian must provide a completed and signed *Medication Order*, by **BOTH** the physician and parent, for **EACH** medication to be given at school. This form is also **required** for any over-the-counter medication to be given at school.
2. Student shall be able to swallow the form of medication ordered by the physician.
3. Only oral, pre-measured inhalant, topical ointment for diaper rash, and emergency medications shall be administered at school by a (TAP) Trained Authorized Personnel. Eye drops, antibiotics, and other short-term

medications, including over-the-counter medications, shall not be given by school personnel, unless a *medication exception* has been granted by the school RN.

4. Medication **MUST** be delivered to the school office by a parent/legal guardian or a responsible adult. Students are **NOT** allowed to transport medication to school or have medication in their possession without the School RN approval. Teachers and principals have the right to take a medication from a student and contact the parent. Emergency medications such as asthma inhalers, epipens, and glucagon can be carried and self-administered by a student, *ONLY* if it has been approved by the physician, parent/legal guardian, and the School RN.
5. The parent/legal guardian must count and sign-in the amount of medication that is delivered to the school with a (TAP) trained authorized personnel, on the students' medication log.
6. No more than a **(35) day supply** of medication shall be brought to school.
7. Medication **MUST** be in a container properly labeled from a pharmacy and **MUST** match the *Medication Order*.
8. The parent/legal guardian **MUST** provide the names and working telephone numbers of persons to be contacted in case of a medication emergency. Emergency phone numbers should be updated **immediately** if there is a change in contact information.
9. The parent/legal guardian shall provide a statement, stating that the initial dose of medication was administered outside of the school jurisdiction, allowing at least **(12) hours** of observation for adverse reactions, with the exception of emergency medications such as, an asthma inhaler, epipen, or glucagon.
10. Medication not retrieved by a parent/legal guardian or responsible adult, will be destroyed **(2) weeks** after the expiration date, if the order is discontinued, or at the end of the school year, following notification to the parent/legal guardian.
11. *All student information shall be kept confidential.* The parent/legal guardian shall be required to sign an authorization, for the exchange and release of confidential information, so that health information can be shared between the School RN, necessary school board employees and health care providers.
12. If student refuses medication administration, an administrator will be notified and will notify the parent. If refusals continue, medication will no longer be administered at school.

***A **NEW Medication Order** is required at the **beginning of EACH school year** (cannot be dated prior to July 1st, of that school year) and anytime **DURING the school year**, if there is a change in the medication (i.e. Name, Time, Dose, Route). A parent/legal guardian is **NOT** allowed to make changes on a medication, a new *Medication Order* **MUST** be given. ***

Lip Balm and Cough Drops

1. If lip balm/cough drops are labeled "medicated", it cannot be brought to, or used at school without a doctor's note.
2. There are many products available over the counter for a dry lip problem. "Vaseline/ Wax balms" would provide adequate prevention and protection of dry/cracked lips.
3. Please educate your child about no sharing, playing with or excessive use of lip balm during class.

Health Screenings

Vision Screening:

According to Act 522, St. James Parish School nurses will coordinate the vision screening to be completed. Vision screening will be conducted on all students in grades K, 1st, 3rd, 5th, 7th, 9th, 11th, and any special request.

(REVISED 9/5/2014)

STUDENT DISCIPLINE

In our continuing effort to provide an enriching learning atmosphere, the St. James Parish Public School System has implemented parish-wide discipline policies and procedures for students in PK-3, 4-6, and 7-12. A major focus of the discipline policy is one of individual accountability; that is, if a student chooses to break the rules, then he/she will be held accountable for his/her actions and must face the consequences.

The school, as a community agency, shares the responsibility with parents to educate, guide, and, when necessary, to discipline children. The school's main objective is to educate the student and to provide a program to meet his/her needs, which will help prepare the individual for a world of work and a position which will enable him to take his place in society and to lead a happy and productive life.

Appropriate punishment deemed necessary by the principal may be implemented for deviant student behavior. The punishment should be reasonable, and corrective measures should help the student to become aware of a need for self-discipline. Students should use caution in claiming "self-defense" in physical confrontation, for a student who is the aggressor or who brings on a difficulty cannot claim the right to defend oneself. Any force used must be reasonably concluded that the use of such force more probably than not was committed solely for the purpose of preventing a forcible offense against the student or a forcible offense provided that the force used must be reasonable and apparently necessary to prevent such offense (LRS 17:416). The St. James Parish Public School System discourages physical confrontations.

The policy emphasizes that the majority of inappropriate behavior (Category D) will be handled in the classroom. Teachers shall document their attempts to resolve minor misbehavior within the classroom and have contacted the parent prior to any referral to the principal's office. Each teacher shall decide which consequences would be most appropriate for his/her class structure, though, at some schools, teachers may agree to use the same set of classroom rules and consequences.

Another set of misbehaviors must be handled by the principal because they occur in the hall, buses, and other settings not directly supervised by classroom teachers or are considered more serious (Category B, C).

A small set of severe misbehaviors (Category A) cannot be handled in the classroom. Category A offenses are limited to conduct that constitutes an imminent and substantial threat to physical safety or that is criminal in nature (e.g. possession of firearms or other weapons, bomb threat, or burglary).

Principals must make every reasonable effort to investigate all aspects of a discipline problem. The student shall be given notice of the particular misconduct of which he/she is accused as well as the basis for such accusation. The student shall be given the opportunity to explain his/her version of the facts to the principal or designee. In many cases, the principal / designee may informally discuss the alleged misconduct with the student minutes after it has occurred.

Since the conference between administrator and student may occur almost immediately following the misconduct, generally the notice and the administrative hearing should precede any suspension. In cases where presence of a student poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, however, the student may immediately be removed from school. In such cases, the notice (and hearing if required) should follow as soon as possible.

A student removed from the classroom shall be assigned school work missed and shall receive either partial or full credit for such work if it is completed satisfactorily and timely as determined by the principal or his/her designee, upon the recommendation of the student's teacher.

If the student is suspended, the principal / designee shall make every effort to contact the parent or guardian by telephone and inform them of the suspension. The student may be removed from classes, if necessary, and kept under supervision until the close of the school day or the arrival of the parent or guardian to pick up the student. In the event the student may cause a disruption in the orderly operation of school, he/she may be removed from the school premises immediately and placed in the custody of the parent, guardian, next of kin, or police officer.

The principal / designee shall mail a report of the suspension to the parent / guardian on the day of the suspension, if possible, but no later than two school (2) days following the decision to suspend. A copy should be placed in the school file. If the parent or guardian wishes to appeal the suspension, the parent/guardian, within five (5) school days after

notification of the suspension, must submit a written request to the Superintendent or designee to review the matter; otherwise, the decision shall stand. While awaiting the Superintendent's decision in suspension appeal cases, the student shall remain suspended out of school; and upon review, if the Superintendent reverses the decision of the school administrator, the student's absences shall be voided. **While a student is suspended or expelled to Alternative Center from school, he/she may not attend ANY activities (graduation ceremony, athletic practices/events, dances, etc.) on any school campus.** The decision of the Superintendent is final as to any short-term suspension of less than 10 days. Relief may be sought from the court, but short-term suspensions may not be appealed to the School Board.

If the parent or legal guardian is not present for an expulsion hearing after having been properly notified, the hearing may proceed and the results of the hearing shall be mailed to the parent or legal guardian within three (3) school days by certified mail, return receipt requested.

The administrator at the school site or central office may place a student on probation, a temporary status or period of trial conduct, following rule infractions in an attempt to improve the student's behavior. The applicable administrator shall determine the terms and conditions of the probation.

St. James Parish defines an Administrative Conference as dialog between parent / guardian and principal / designee. This may be a telephone conversation or meeting in person. An Administrative Hearing is a meeting between the parent / guardian and principal / designee scheduled prior to suspension, if possible. An Expulsion Hearing is a meeting among the parent / guardian, principal / designee, and Superintendent / Designee for appeals and expulsion cases.

Expulsion Procedures

Parents have the right to waive their rights to an expulsion hearing therefore agreeing to expel student to the Alternative Center.

If administrator recommends expulsion for a student, a letter must be sent home to parents with the allegation and the date and time of expulsion hearing.

The student will not be compelled to testify against him/her self. He/she has the right to call witnesses and question witnesses. He/she may have anyone of his/her choosing to represent him/her at the hearing. He/she has the right to review all documentation. He/she will be given a chance to present his/her side of the story.

At the end of the hearing, he/she will be given the decision of the Superintendent's Designee. Within five (5) days, he/she will receive the results of this hearing by mail.

If he/she disagrees with the Superintendent's (Designee) decision, he/she may appeal to the St. James Parish School Board. If the St. James Parish School Board upholds the decision of the Superintendent, he/she may appeal to the district court within ten (10) days.

Parents may request, in writing to the St. James Parish School Board, that they review the findings of an Expulsion Hearing within five (5) days of notification.

St. James Parish School System's Alternative Program

The Alternative Center has been established for students having problems conforming to rules, regulations, and policies in a regular school setting. The Alternative Center will provide an alternative classroom environment to accommodate specific needs of assigned students to correct inappropriate behavior through the development of positive self-esteem so that students will have the opportunity to return to the regular school setting.

The Alternative Center for grades K-12 (BIP & AC) will be staffed with appropriate personnel. Carnegie units or credits will be offered to students in grades 7-12 according to certification of teachers on staff. The students in grades K-6 will be taught the curriculum from their home-based schools. The Alternative Center teachers may provide supplemental assignments, for which the students will be responsible.

The nucleus of the Alternative Center will draw support and involvement from parents, teachers, and civic-minded professionals. Visiting speakers will provide academic motivation, vocational counseling, and strategies for dealing with problems. Parents will attend monthly meetings that will address effective communication skills and offer them the opportunity to meet with other parents and discuss common concerns. The administrator and teaching staff shall incorporate innovative strategies to accomplish the desired results outlined in the Alternative Center Handbook.

The main goal of the Alternative Center will be to keep students in school and to ensure the most appropriate learning opportunities are provided.

In-School Suspension Program (ISSP)

The purpose of the In-School Suspension Program (ISSP) is to provide an alternative to out-of-school suspension while providing strategies designed to help students improve their behavior including reasonable opportunities to receive tutoring, social and emotional supports, remedial education, and regular academic work and to earn grades and credit equivalent to those of other students not in an ISSP. Students shall not be required to complete punitive or non-academic writing assignments when assigned to ISSP. The ISSP shall not prevent the school principal or designee from removing an extremely disruptive student from the school setting and requesting an out-of-school suspension or an expulsion hearing.

After-School Detention

After-school detention is an alternative to home suspension for less serious misbehaviors. Detention will be on days designated by the principal. The concept of detention does not prevent the school principal from removing a disruptive student from the school setting.

STUDENT DRESS CODE

It is the obligation of the School Board to provide an educational atmosphere which shall be conducive to the learning process. Students, teachers, and administrators have the right to be free from distracting influences which hinder the learning process. No mode of attire will be considered proper for school wear that distracts from or disrupts classroom and school decorum. The principal of each school will make the final decision as to what is considered proper or improper dress according to the guidelines provided.

The Board feels it is the responsibility of each student to use good judgment in one's total appearance so that the attention of others is not distracted from the purpose of the school. Cleanliness shall be a basic consideration.

Any substantial complaint concerning the dress code will be dealt with by the school administration. The term "school-approved" means that the principal has given his/her approval.

Uniforms

Students in St. James Parish (Grades PK-12) will be required to wear uniforms to class. Parent/Guardians will be responsible for purchasing uniforms. Uniforms shall be worn as follows:

PK-6 Boys: School approved color or white shirt (oxford or knit with collar; no labels; school approved logo is optional). Uniform khaki (no mustard, off-white or "putty" color) pants (can be pleated, not pleated, or cuffed; no labels) or shorts (no shorter than 3 inches above the knee).

CHILD NUTRITION PROGRAM

The National School Lunch Program (NSLP) is a federally assisted meal program operating in public and nonprofit private schools and residential child care institutions. The program provides healthy, appetizing, low-cost or no-cost lunches and breakfasts to students each school day. The School Lunch and Breakfast Program is an integral part of the overall school day. The St. James Parish School Board and Child Nutrition Department asks parents to strongly support and encourage their student (s) to participate in the breakfast and lunch program.

Community Eligibility Program (CEP):

All enrolled students in the St. James Parish Public School System are eligible to receive breakfast and lunch at **NO CHARGE beginning the first day of school through the end of this school year only (2021 - 2022).** No further action is required of you. Your student (s) will be able to participate in these meal programs without having to pay for a reimbursable meal or submit a meal application. This institution is an equal opportunity provider.

Meal Payments:

School staff and central office personal are required to prepay or pay for their meal at the Point of Service. There is a designated charge for all staff and central office meals. There is NO CHARGING. Cash or check payments are accepted daily, weekly, monthly and annually. Staff is assigned an ID number and an account. Staff may also use "MySchoolBucks" to pay with a credit card for their meals on line. For this convenience there is a small fee. The link for "MySchoolBucks" is located on the district website. Follow the prompts to set up an account to make payments. Visitors and guest pay the At Cost Meal Price (the actual cost of the meal). They are required to prepay or pay at the Point of Service for their meals.

Extra Meals and Sales:

Only one meal per student is reimbursed; therefore, if a student chooses to eat a second meal, they will be charged the At Cost Meal Price. Extra sales of that day's menu items and/or Smart Snacks may be bought after purchasing a reimbursable meal.

Field Trips:

The Child Nutrition Program shall be the provider of meals on approved field trips away from campus. The school's Cafeteria Manager will provide bag lunches for all approved field trips when notified two weeks in advance.

1. The Child Nutrition Program operates as an integral part of the overall school program. The agreement guarantees that every child has available a lunch which provides a minimum of 1/3 of the child's daily nutritional needs and a breakfast which provides 1/5 of daily nutritional needs (Bulletin 1196, Section 1.05).

Currently, all students are participating in the Community Eligibility Program (CEP); therefore, there is no charge for student meals. If this program should end, the cost for student meals is as follows:

2. Student Meal Charges are as follows:

Breakfast Program

All Paying Elementary Students	1.00
All Paying High School Students	1.25
All Reduced Students	30

Lunch Program

Elementary Paying Student	.1.50
High School Paying Student	.2.00
All Reduced Students	40

3. **NO MEAL CHARGING WILL BE ACCEPTED.** Meal payments are due on the first school day of the month or week. Parents have the option of prepaying meals on a weekly, monthly or yearly basis. Daily cash payments are accepted in grades 7-12 only; however, students spend less time in line if meals are prepaid. Those students not eligible for free meals must repay the full price or reduced price, if they qualify or bring a bag lunch. Federal regulations allow school administrators to deny meals to paying (full-price or reduced) students who have not prepaid. (Bulletin 1196, Section 3.19-02). 6. Free and Reduced Priced Meal eligibility from the previous year expires 30 operating days from the opening day of the school year. 8. Students must present the identification meal card as he/she passes the point of service in the cafeteria. Students in grades 4-12 will be held responsible for the use of their meal cards. Should you not want any or all of those types of information about the student designated as directory information, you must notify the School Board in writing not later than two weeks after distribution of this notice. Otherwise, the St. James Parish School Board may disclose any of these items without prior written consent.

Insurance

The St. James Parish Public School System carries "General Liability" insurance to protect students in cases in which injuries occur as a result of System negligence on the part of an employee and/or the condition of a facility and/or grounds.

In most cases, children's injuries are the result of carelessness by the child, recess/play-related accidents, and non-hostile "horseplay" between/among children, etc. Expenses incurred from these types of injuries are the responsibility of the parent/guardian.

To ensure that students are adequately protected while at school, all parents/ guardians are encouraged to enroll their child/children in the "Student Accident Protection" insurance plan (sent home with your child at the beginning of the school year) depending upon the status of your child's existing insurance coverage.

Achieving Content Mastery and Building Relationships to
Succeed in a Global Community

“Providing Every Child with a Hope and Purpose”

Introduction

Providing electronic devices to St. James Parish PreSchool - 12th Grade students create new learning environments that engage students and prepare them for tomorrow. The device labs of yesterday are not sufficient to provide the access that students need on a daily basis to support learning. Our students will now have the necessary tool at school and home to meet the needs of the 21st century learner.

St. James Parish teachers will guide our students through this wealth of information by developing digital classrooms that extend and enhance everyday learning opportunities. They will also continue to drive our students to achieve content mastery by leveraging the device as a learning tool. This includes the ability to wirelessly communicate with fellow students and content experts anywhere in the world as they address meaningful issues happening around the globe. We are on the brink of exciting changes and we look forward to sharing this experience with you.

Ownership

Electronic devices and accessories are the property of the St. James Parish Public School District. They are provided for the exclusive use of St. James Parish Public School students and staff. Due to insurance and liability issues, these devices should not be lent to other individuals, groups, or institutions.

Management

St. James Parish Public Schools is responsible for asset management of electronic equipment. St. James Parish Public Schools will keep track of all devices assigned to students. Devices assigned to students will be entered into inventory and labeled. A small number of these devices will serve as loaners. Loaners may be temporarily assigned to students whose assigned device has been sent out for repair. A student withdrawing from St. James Parish Public Schools must return the device before his/her last day. A new student entering St. James Parish Public Schools will be assigned a device. Returned devices will be re-imaged to their original state. Student devices and all accessories will be turned in at the end of the school year to be evaluated, updated and cleaned over the summer. **The student is responsible for returning the device, charger components, and case with keyboard attached at the end of the school year or before being dropped from the district. If a hotspot with power adapter was checked out, it must be returned with the device. All items must be in good condition at the end of the year. Fees will be applied for damaged devices or missing accessories.**

Repairs

A student device needing repair should be brought to the school's Tech Support Center. Each school has a designated location. **Students will need to drop off their device either before school or during lunch/recess.** The District Technical Support Staff will evaluate the device and determine if the device needs to be shipped for repair. If the repair is an issue requiring the device to be sent out for service, it will be returned as soon as possible. A loaner will be issued after the repair fee is paid.

Backing Up

During the course of repairs, files may be altered, erased, or destroyed. Every reasonable effort will be made to retrieve and save work files; however, it is important that files be backed up before turning a device in for repair. Every student is responsible for backing up his/her files on an external drive or online storage folder. Backing up files should be a regular part of the device routine.

Power Management

Batteries for each device may or may not last a full day depending on the amount of use. The following settings and procedures will maximize battery life:

1. Batteries must be fully charged at the beginning of each school day. Charge the device every night. A device charges faster when it is off.

2. ~~Whenever the device is not in use, put the device in sleep mode.~~
3. Keep the device in moderate temperatures. Temperature extremes will diminish battery capacity and can damage the device. Never leave a device in a car.
4. Reduce screen brightness using the brightness controls on the device.
5. Close all applications that are not being used.
6. All cables and wires should be lined up straight when inserting and removing. Hold the plug and not the cord. If your battery is not charging, do not wiggle the power cord. Bring the device to the Technology Support Office.
7. When plugging in the power cord the proper procedure is to plug into a wall socket first, then into the device.

Caring for your device

Your device is a delicate, electronic learning tool and needs to be treated with care. To get the greatest enjoyment and learning experience from your device, please follow the care procedures listed below:

Acceptable Use Policy (AUP)
St. James Parish School Board - Student Internet Use Agreement

Use of Devices, Technology and the Internet

The St. James Parish School Board believes it is necessary for all persons to become aware of acceptable use of devices, technology, and the Internet. Any person using devices or other electronic information resources shall be required to use such equipment and resources in a responsible, legal manner. The School Board retains the right to monitor all device usage, online access, and files for compliance to all regulations and/or procedures.

The St. James Parish School Board shall incorporate the use of device-related technology or the use of Internet service provider technology designed to block access or exposure to any harmful materials or information, such as sites that contain obscene, pornographic, pervasively vulgar, excessively violent, or sexually harassing information or material. Sites which contain information on the manufacturing of bombs or other incendiary devices shall also be prohibited. However, the School Board does not prohibit authorized employees or students from having unfiltered or unrestricted access to Internet or online services, including online services of newspapers with daily circulation of at least 1,000 for legitimate scientific or educational purposes approved by the Board.

Schools will educate all students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. Students and employees will be held accountable for all Louisiana Statutes and St. James Parish School Board policies regarding network safety. Most specifically RS: 17:416.13, RS 14:40.7, RS 14:81.1.1, and the Electronic Communications Between Employees and Students Policy.

Accountability

Faculty, staff, and student use of School Board devices or the Internet shall be reserved for academic purposes and the conducting of business aspects of the school system. All personnel using a school device, or a device network located on school property, or devices accessing the Internet, shall be accountable for its use. Teacher or class files on the network shall be treated as District property subject to control and inspection by School Board personnel.

Exploration of the Internet is encouraged, but with rights and privileges come responsibility. Any use of the Internet that adversely affects its operation in pursuit of teaching and learning or jeopardizes its use or performance for other community members is prohibited and may result in loss of Internet privileges, suspension or other appropriate disciplinary action. The St. James Parish School Board does not condone the use of the Internet for any illegal or inappropriate activities and shall not be responsible for any such use by staff or students. Parents shall be made aware that Internet usage is only partially controllable by supervision.

Security

Teachers and personnel who have devices in their charge shall be responsible for their security. Devices must be secured such that students acting without the consent or supervision of a teacher or administrator cannot enter the system or the Internet.

Any user who knowingly allows another to use the ID assigned to him or her will immediately lose access privileges, and may be subject to further disciplinary action. Attempts to fraudulently log on to any network as a system administrator or another user shall result in immediate cancellation of user privileges and the offender may be subject to further disciplinary action. Any user identified as a security risk, or having a history of problems with other device systems, may be denied access to any device or technology service.

Use of the Internet

Students, faculty, staff, or other authorized users may only use the Internet if the *Device and Internet Use Contract* has been properly signed, filed at the school or administrative site, and approved by appropriate School District personnel, and then only in accordance with School District regulations governing such usage.

Regulations

The St. James Parish School Board believes that there are appropriate regulations to maximize effective educational use of devices, technology, and the Internet, and minimize abuse of the opportunity being provided to our schools. Ethical, efficient, and legal use of any network is the key to a successful linkage with the Internet. Accordingly, regulations for participation by anyone on the Internet shall include but not be limited to the following:

1. No person shall be permitted to use the Internet unless a completed *Device and Internet Use Contract* has been submitted to the Superintendent or designee.
2. Users must demonstrate honest, integrity, and respect for others at all times. Appropriate manners and language shall be required.
3. No photographs, personal addresses, personal phone numbers, or last names will be permitted in student use of the Internet.
4. Illegal activities, including copyright or contract violations shall not be permitted. Copying information from the district's technology systems and handing it in as original work also violates copyright laws and shall not be permitted.
5. The Internet may not be used for financial or commercial gain.
6. Nothing shall be done to disregard or circumvent the established safeguards with regard to the *Children's Internet Protection Act* and La. Rev. Stat. Ann. §17:100.7.
7. Threatening, profane, or abusive messages shall be forbidden.
8. No activities shall be allowed which may damage or interrupt equipment or any networking system.
9. Any attempt to alter, harm or destroy the data of another user of the Internet, or any network on the Internet shall be forbidden.
10. No user is permitted to upload, or create, a device virus on the Internet or any networking system.
11. Consumables (paper, ink, storage devices, bandwidth) and resources offered by the Internet and paid for by the Board may not be willfully wasted.
12. Installing or running a program which damages or places an excessive load on District technology shall be prohibited.
13. Tampering with, damaging, or modifying devices, device systems, device networks, school district system software, hardware or wiring, or taking any action to jeopardize or violate the school district's technology systems security, shall be forbidden.
14. A user shall not attempt to access any Internet resources or entities not previously authorized by the teacher.
15. Invading the privacy of another user, or using their account, shall not be tolerated.
16. Posting personal messages without the author's consent shall be forbidden.
17. Sending or posting anonymous messages shall be forbidden.
18. Perusing, or otherwise accessing, obscene or pornographic material, or using profanity in messages shall be forbidden. Suspension shall automatically result for a user who accesses, sends, solicits, or configures electronically any profane or obscene language or pictures.
19. Perusing or otherwise accessing information on manufacturing bombs or other incendiary devices shall be forbidden.
20. Product advertising, political lobbying, or sending messages involving illegal activities shall not be permitted. Violations shall be reported to the teacher or supervisor when evidence of such is encountered on the Internet.

21. Any subscriptions to list servers, bulletin boards, or online services shall be approved by the Superintendent or his/her designee prior to any such usage.
22. When a security problem is detected, it shall be reported immediately to the teacher or supervisor. The problem shall not be demonstrated to other users.
23. The use of personal hardware (such as device devices, PDAS, MP3 players, iPods) and software is prohibited. This does not include consumables such as CDs, flash/pen drives, or floppy discs.
24. Any other use of District technology which is illegal or in any way violates Board policy, local, state, or federal laws and statutes is strictly prohibited.

Definitions

In general, the *District's technology* includes hardware, software, video and subscription services. Specifically, the district's technology includes, but is not limited to: devices (and related equipment/attachments), monitors, printers, scanners, network devices, portable devices, digital cameras, flex cameras, video cameras, electronic microscopes, probes, global positioning systems, phones, PDAs, scan converters, projectors, amplifiers, TVs, VCRs, DVD players, MP3 players, uninterruptible power supplies, surge protectors, operating systems, applications, VHS video tapes, streaming video, DVD videos and services (local/subscription services).

Consumables include, but are not limited to: ink cartridges, mouse pads, paper, transparencies, cleaning supplies, diskettes, tapes, pen drives, zip disks, blank CDs, blank VHS tapes, and blank DVDs.

Consequences of Misuse

Use of the Internet is a privilege, and any inappropriate use may result in appropriate disciplinary action and loss of privileges to use Board devices, technology, or access the Internet. Loss of privileges shall apply to all students, teachers, staff, and administrators who abuse the privilege of using the Internet. Consequences may include suspension or expulsion of students, or dismissal of employees.

Network Etiquette

You are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- Be polite. Do not get abusive in your messages to others. No "flaming."
- Use appropriate language. Do not swear, use vulgarities, or any other inappropriate language. Illegal activities are strictly forbidden.
- Do not reveal your personal address or phone numbers for yourself, other students, or colleagues. This is for the students' safety.
- Note that electronic mail (E-Mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to appropriate authorities.
- Do not use the network in such a way that you would disrupt the use of the network by other users. This includes repeating the same message.
- All communications and information accessible via the network should be assumed to be private property.
- Cite your source. If you are using the ideas or works of others, give them credit.
- Do not invade the privacy of others, or access the network or files of any business, person, or agency with intent to steal, subvert, destroy, or view information that is not appropriate.
- Do not access information, which is considered dangerous, or potentially damaging, such as instructions on the preparation of illegal or dangerous mechanisms or activities.

Responsible Use of Online Resources

The St. James Parish School Board recognizes that access to telecommunications and other information technologies is critical to the preparation of St. James Parish students for life in the 21st century. We believe that students must have the opportunity to learn how to responsibly use resources available on the St. James Parish School District network and the broad array of resources available on the Internet. Therefore, the Board is committed to continued enhancement of the District's network services and to ongoing staff development to ensure that St. James Parish students master the skills necessary to effectively tap into these vast information resources.

There is a wealth of information available on the Internet—ranging from on-line databases and libraries to extremely current web pages on specialized topics. Unfortunately, many of the resources available on the Internet have not been screened for use by students. The District believes, however, that the benefits to students of access to such information and of the opportunities for collaboration afforded by the Internet greatly exceed the disadvantages. Parents and guardians and District educators must work together to ensure that students use these resources responsibly. Parents and guardians play an especially important role in setting the standards that their children should follow when using the Internet.

Electronic information research skills are now fundamental to the preparation of citizens and future employees. The Board expects that District staff will blend thoughtful use of Internet information resources throughout the curriculum and that the staff will provide guidance and instruction to students in the analysis, evaluation, and appropriate use of such resources.

Electronic mail is an extremely powerful tool that enables students to communicate with and collaborate with people around the world. We believe that responsible use of electronic mail can greatly enrich student learning opportunities. On the other hand, we realize that the two-way communication that electronic mail makes possible introduces risks unique to this communication medium. Therefore, we offer electronic mail services to all students, but only after submission of the St. James Parish Public Schools Student and Parent forms signed by the student and, if the student is a minor, his or her parent or guardian.

Students are responsible for good behavior on school device networks just as they are in a classroom or a school hallway. General school rules for behavior and communications apply. The network is provided for students to conduct research and communicate with others. Access to network services will be provided to students who agree to act in a considerate and responsible manner.

Schools will educate all students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. Students and employees will be held accountable for all Louisiana Statutes and St. James Parish School Board policies regarding network safety. Most specifically RS: 17:416.13, RS 14:40.7, RS 14:81.1.1, and the Electronic Communications Between Employees and Students Policy.

The Board looks forward to the educational opportunities that the District's network services afford our students.

Student Privacy Form

Introduction: Students are making increasing use of various technologies as powerful learning tools. Key benefits of such activities include opportunities to share work with and interact with other students and the world at large. Such activities are not entirely without risk. Media and technology provide students with access to people and information beyond the St. James Parish School community and enable others to view student work and interact with students in St. James Parish schools. Student work can be shared in a variety of ways, including newsletters or newspapers, radio or TV programs, web pages, electronic mail, compilations of student work on a class CD, etc. It is important for parents and students to consider the level of exposure for the students' work.

Student Privacy Guidelines: A paramount goal of the St. James Parish School District is to ensure the safety and privacy of our community of learners. To help achieve this goal, publication of student information on the Internet and sharing of student information via print media, electronic mail, video, and other technologies is restricted. Student information and student work will not be published or shared unless permission is obtained. Permission is granted only for projects or activities that take place in a specific school year. Students must submit an updated permission form each year. No personal information, such as home or mailing address and phone number, except as listed below, will be published or shared.

Student G-Suite Account

The St. James Parish School Board is pleased to offer students of the District access to the District device network for electronic mail. To gain this access, a student under the age of 18 must obtain parental permission and must return this form, signed by a parent or guardian, to the Main Office of the student's school. Students 18 and over may sign their own forms. This form is intended to be informational, as policies approved by the St. James Parish School Board apply to all users of the St. James Parish Public Schools District Academic Electronic Network, whether or not said users have signed this agreement.

Access to email will enable students to communicate with and collaborate with people throughout the world. While our intent is to make electronic mail available to further educational goals and objectives, families should be warned that it is not possible to monitor every student's electronic mail conversation. Therefore, it is important for students to accept responsibility for their behavior. We believe that the benefits to students from access to electronic mail exceed any disadvantages. But ultimately parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information resources.

Managed Apple ID

Apple services and apps for education are built with the same integrated approach to privacy that's fundamental to the design of all Apple hardware, software, and services. We will never sell student information, and we never share it with third parties to use for marketing or advertising. We never build profiles of students based on their online behavior, and we don't collect, use, or disclose student information other than to provide relevant educational services.

Apple provides accounts designed for school use called Managed Apple IDs. These accounts are created, owned, and controlled by the school to give students access to iCloud Drive, iCloud Photo Library, Backup, Schoolwork, and Shared iPad. Students can also sign in to their account on a personally owned iPad or Mac at home to access their work if the school has issued a home-use password. The accounts are designed to protect student privacy, including limitations on ads, purchasing, and communications. Purchasing on the App Store, iBooks Store, iTunes, and Apple Music is disabled, and learning materials and apps are distributed by the school. The school can enable or disable services such as iMessage, FaceTime, or student progress recording with the Schoolwork app.
